DETAILED ACTION

Claim Objections

- 1. Claim 1 is objected to because of the following informalities as listed below: Appropriate correction is required.
- 2. Claim 1 recites the limitation "said memory allocations" in line 6. There is insufficient antecedent basis for this limitation in the claim. Is this the same as the "memory address allocations" in line 5?
- 3. Claim 1 recites the limitation "said memory space" in line 7. There is insufficient antecedent basis for this limitation in the claim. Is this the same as the "defined memory space" in line 3?
- 4. Claim 1 recites the limitation "said buffers" in lines 4 and 9. There is insufficient antecedent basis for this limitation in the claim. Is this the same as the "finite buffers" in line 2?
- 5. Claim 1 recites the limitation "said primary address list" in lines 11-12. There is insufficient antecedent basis for this limitation in the claim. Is this the same as the "link list of primary memory addresses" in line 8?

Allowable Subject Matter

- 6. Claim 1 would be allowable if rewritten or amended to overcome the objections set forth in this Office action.
- 7. The following is an examiner's statement of reasons for allowance: the prior art does not teach or suggest entering a list of said buffers and corresponding memory address allocations;

Art Unit: 2186

scanning the memory allocations from a first memory address to a second memory address within the memory space; creating a link list of primary memory addresses correlating to the start and end of each of the buffers; and creating an ordered list of the primary memory addresses and corresponding buffers which include said addresses from the primary address list.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

9. This application is in condition for allowance except for the following formal matters: the claim objections discussed above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
